

PianoBox policy 2025/26

Registration

Students are registered for lessons through email: pianobox.espoo@gmail.com. Registration is for one semester at a time (not including morning passes). Registration for the autumn semester can be cancelled up to one week before the start of classes, i.e., by 11 August 2025. Teaching continues automatically into the spring semester unless a cancellation notice is sent in written form (via email) by the end of November.

It is possible to begin lessons in the middle of the semester, in which case the semester fee will be reduced accordingly.

Lessons

There will be 15 private lessons included in the semester fee. Weekly lesson times are agreed at the beginning of the semester. Lesson times can be changed only if the teacher is able to do so.

The content of the lessons is individual and based on the student's personality, progress, and goals. You can always share your wishes and ideas with the teacher.

Fees and materials

The semester fee covers the lessons but does not include sheet music or participation in performances. Students are responsible for buying their own books. The teacher may also provide supporting material when needed.

Semester fees are invoiced according to the price list at the beginning of the semester. Payment can be made in one, two, or four installments.

Photography and Filming

By registering for lessons, the student (or the guardian of a minor student) gives consent for the student to be photographed and filmed for educational purposes. Only the student's first name will be used in images and videos. Materials will be shared privately (e.g., via a link or a password-protected folder) and will not be published publicly without separate permission.

Skipping lessons

Lessons cannot be rescheduled if a student is absent. If a student is unable to attend, the lesson can be held online during the regular time or given to someone else (e.g. a family member or friend). In such cases, please inform the teacher in advance.

If the student is over 15 minutes late, the lesson is considered canceled.

If the teacher is absent, a substitute will be provided or the lesson will be rescheduled. Make-up lessons may also be arranged on weekends or at the end of the semester.

Students may only attend in-person lessons if they are fully healthy.

Other rules

Students are not separately insured by PianoBox.

In case of force majeure (e.g. pandemic), lessons may be transferred online without refund of the semester fee.
